MEMORANDUM

TO: Members of Welland City Council

FROM: Elizabeth Pankoff, CPA, CMA

DATE: April 19, 2024

SUBJECT: Council Notice of Motion/Resolution. 04-124/18-4 Regarding identifying funding sources to adequately address water meter replacement

With an annual base budget of \$400,000 for water meter replacement programs, it would take approximately 12 years (utilizing 2023 pricing) to change the original meters that were installed during the first universal metering project.

During the 2024 budget process, staff brought forth a plan to replace the remaining 10,000 meters within two years (2024/2025). Phase 1 was built into the 2024 Water/Wastewater capital budget with a total cost of approximately \$2.4 million, funded by transfer from operating dollars and debt financing. For Phase 2, a Decision Unit (Appendix 1) was brought forth for councils' consideration seeking pre-approval for the 2025 Water Meter Replacement Program (\$2.4m) and to increase the City's Water/Wastewater (Rate) self-imposed debt limit from 11% to 12%.

At the December 5, Special Council meeting, budgets were adopted which included Phase 1 and Phase 2 of the Water Meter Replacement capital program totaling approximately \$4.8 million, funded by transfer from operating dollars as well as debt financing. This now concludes Council Notice of Motion/Resolution. 04-124/18-4

ATTACHMENT: Appendix 1 – Decision Unit Support Sheet, Phase 2-2025 Water Meter Replacement Program and Increasing the Rate Self-Imposed Debt Limit from 11% to 12%

Decision Unit: Phase 2-2025 Water Meter Replacement Program and Increasing the Rate Self-Imposed Debt Limit from 11% to 12%	Department: Infrastructure Services – Public Works
Cost: \$2,366,000 (50% water, 50% wastewater)	Budget Year:2024 Seeking Pre-approval for 2025 budget year.

Decision Unit Description/Rationale:

Currently the Public Works Division is replacing \$400,000 worth of water meters annually, the volume of meters being replaced declines annually as projects cost increase.

As water meters age they become less accurate, especially at lower flow rates. Water uses that would be considered lower flow rates could include uses such as running toilet, leaky faucet, leaky hose bibs or turning on a faucet partially.

Without accurate water meters unbilled consumption is spread amongst all rate payers, an accurate water meter plays an important role in ensuring all users pay for their consumption.

At the present water meter project budget, it will take an additional 12 years (using 2023 pricing) to change the original meters that were installed during the first universal metering project.

With a faster transition to all radio frequency water meters Staff will be given the opportunity to increase customer service by shortening billing periods and creating an online portal for users. Both the shorter billing period and the online portal put consumption information in the hands of the rate payer, improving their ability to track usage and monitor consumption.

Financial Implication:

Water Meters \$2,366,000 split between water and wastewater

The true financial impact to each rate payer of declining water meter accuracy over the next 12 years cannot be calculated.

According to Stats Canada the average Canadian uses 9 cubic meters of water per month, a household of 4 would use 36 cubic meters monthly.

If we assume 2.5 people per home using 23 cubic meters a month and a modest meter accuracy of 97%, that would result in 8.28 cubic meters of consumed unbilled water per metered account annually.

There are approximately 10,000 water meters that would be replaced as part of this project.

10,000 meters x (8.28 m³ x \$5.15 m³)

10,000 meters x \$42.64 (consumed unbilled water per meter annually)

Potential recovery of \$426,420 annually

To complete Phase 2-2025 Water Meter Replacement Program, staff is seeking pre-approval to increase the City's Rate Self-Imposed Debt limit from 11% to 12%.

DELIVERED VIA EMAIL

Dear Premier Ford,

Re: Motion regarding Affordability of Water and Wastewater Rates

Please be advised that at its regular meeting of April 9, 2024, Loyalist Township Council passed the following resolution:

Resolution 2024-77

Moved by Councillor Willis
Seconded by Councillor Parks

WHEREAS a resolution passed by the County of Renfrew regarding the unaffordability of rural and small urban water and wastewater systems has been circulated to all municipalities in Ontario; and

WHEREAS due to the typical geography of rural Ontario, it is not unusual for smaller municipalities to be responsible for several treatment facilities; and

WHEREAS the costs associated with the operations, upkeep and upgrade of a number of treatment facilities and other infrastructure to meet provincial regulations in both environmental and financial planning capacities for smaller urban centers, which typically has a much lower population density per total kilometers of water and sewer as compared to larger municipalities, is a significant financial burden on system users for this essential necessity;

NOW, THEREFORE BE IT RESOLVED THAT the Council of the Corporation of Loyalist Township supports the County of Renfrew's request to the Association of Municipalities of Ontario (AMO), the Rural Ontario Municipalities Association (ROMA) and the Federation of Canadian Municipalities (FCM) to examine if the unaffordability of water and wastewater system operational costs is systemic provincially and nationally;

AND THAT if the unaffordability is determined to be systemic, provincial and federal governments appropriately fund an assistance program for smaller municipalities with financial oversight of drinking water and wastewater systems;

AND THAT a copy of this resolution be circulated to the Honourable Doug Ford, Premier of Ontario; the Honourable Kinga Surma, Minister of Infrastructure; the Honourable Paul Calandra, Minister of Municipal Affairs and Housing, the Honourable Andrea Khanjin, Minister of the Environment, Conservation and Parks, Ric Bresee, MPP Hastings - Lennox & Addington; the Association of Municipalities of Ontario; the Rural Ontario Municipal Association; and the Federation of Canadian Municipalities.

Motion carried.

WHEREAS access to natural gas is important to residents and businesses in our community for affordability and reliability

AND WHEREAS the Ontario Energy Board's (OEB) decision on Phase 1 of the Enbridge Gas 2024 rebasing application, issued on 21 December 2023, has concerning implications including putting into question the future access to natural gas that support of economic development, affordable housing growth, and energy reliability in communities such as the Township of Terrace Bay;

AND WHEREAS Ontario is growing and access to affordable energy to support this growth for homes and businesses is crucial, as is a measured approach to energy transition as not having access to natural gas will stifle economic growth and put housing and energy affordability at risk;

NOW THEREFORE BE IT RESOLVED: THAT the Township of Terrace Bay supports a measured approach to Ontario's energy transition;

AND FURTHER, that the Municipality of ~~Tweed~~ ^{Terrace Bay} recognizes that there may not be enough electricity available to replace the energy provided by natural gas and meet the increased demand from electrification;

AND FURTHER, that natural gas must continue to play an integral role in meeting the energy needs of Ontario;

AND FURTHER, that the Municipality of ~~Tweed~~ ^{Terrace Bay} supports the work the Government of Ontario has done to date, including the Natural Gas Expansion Program and Electrification and Energy Transition Panel's call for a clear policy on the role of natural gas to secure access to affordable energy;

AND FURTHER, that this resolution be circulated to the President of AMO, Colin Best, Hon. Doug Ford, Premier of Ontario, Hon. Todd Smith, the Minister of Energy, Lise Vaugeois, Member of Provincial Parliament for Thunder Bay - Superior North, all regional municipalities as significant actors to ensuring the need for natural gas in Ontario as part of a measured approach towards energy transition, and submitted to municipalaffairs@enbridge.com

RE: Township of Adelaide Metcalfe – Request to Increase Tile Drain Loan Limit

Dear Minister Thompson,

On March 18, 2024, the Township of Adelaide Metcalfe Council approved the following resolution:

WHEREAS farm drainage is of paramount importance in Ontario due to its significant impact on agricultural productivity and sustainability. Effective drainage systems help mitigate waterlogging, control soil moisture levels, and enhance soil structure, thereby optimizing growing conditions for crops;

WHEREAS improved drainage also facilitates timely field operations, reduces erosion, and minimizes nutrient runoff, contributing to environmental conservation efforts;

WHEREAS Ontario's diverse agricultural landscape, where weather variability is common, well-maintained drainage systems play a crucial role in ensuring stable yields, economic viability, and long-term resilience for farmers across the Province;

WHEREAS the Tile Loan Drainage Act, R.S.O 1990, c. T.8 allows for the borrowing of money for the purpose of constructing drainage works;

WHEREAS the maximum annual limit for these loans, unchanged since 2004, is currently set at \$50,000.

WHEREAS costs for Tile Drainage has increased markedly since 2004;

NOW THEREFORE the Council of the Township of Adelaide Metcalfe requests that the Province through the Ministry of Agriculture, Food and Rural Affairs (OMAFRA) consider increasing the maximum annual Tile Loan limit to a minimum of \$100,000.

AND THAT this resolution be circulated the Honourable Lisa Thompson – Ministry of Agriculture, Food and Rural Affairs (OMAFRA), the Association of Municipalities of Ontario (AMO), the Rural Ontario Municipal Association (ROMA), and all Ontario municipalities.

Your consideration of Council's request is appreciated.

Kind regards,

Economic Development Brief

April 15, 2024

Statistics and Trends

Labour force conditions

Labour force conditions (unadjusted) in Niagara and Ontario continued to weaken in March 2024; but again, most of the changes were attributable to seasonal factors.

Month-over-month data from February to March 2024 show the following:

- Population: Niagara increased by 0.3% (1,100 people), while Ontario increased by the same rate.
- Labour force: Niagara decreased by 1.0% (2,300), while Ontario increased by 0.5%.
- Employment: Niagara decreased by 2.1% (4,400), while Ontario decreased by 0.04%.
- Unemployment rate: Niagara increased by 1% to 9.0%, while Ontario increased by 0.5% to 6.6%.
- Participation rate: Niagara decreased by 0.7% to 58.9%, while Ontario increased by 0.1% to 64.3%.

Labour force characteristics indicate a persistent slowing of Niagara's economy with Niagara being impacted disproportionately more than Ontario. However, GDP forecasts by The Conference Board of Canada in March 2024 predict Niagara will outperform Ontario and this along with seasonal employment should help improve labour indicators in the near term.

Economic Development Updates

Port Colborne launches Studio Port Colborne

With the launch of Studio Port Colborne, Ontario welcomes another new film office to its burgeoning network of production hubs. This announcement comes on the heels of a request to Council to approve the City's first filming policy. The team at the City of Port Colborne looks forward to collaborating with all municipalities across the region to grow the film industry's interest in Niagara. For more information [CLICK HERE](#).

Jungbunzlauer in Port Colborne announces major expansion

Jungbunzlauer has announced a multi-phase expansion for its facility in Port Colborne. The company currently manufactures citric acid at the facility and is adding a new product line to produce xanthan gum. Phase 1 of the project will involve a capital investment of \$180 million including a new 60,000 SF building and 50 new jobs.

Welland Economic Development hosts information session with the Automotive Part Manufacturing Association (APMA)

The City of Welland and the APMA launched Project Arrow 2.0 at an information session, aiming to tackle challenges in the electric vehicle sector through innovation and collaboration. The project emphasizes multi-sector cooperation to drive advancements in electric vehicles, drawing together representatives from various industries and institutions. Welland's commitment to pioneering solutions in clean transportation, along with the region's manufacturing expertise, positions it as a leader in shaping the future of sustainable mobility through Project Arrow 2.0. Over 50 people attended from varying professional disciplines.

Brock research farm to grow future of sustainable agriculture in Canada with \$3.5 million CFI grant

Brock has received a \$3.5 million grant from the Canada Foundation for Innovation (CFI) to support Brock University's Clean Agriculture for Sustainable Production (CASP) Field Infrastructure project, expanding research into grape and wine industry innovations. The project includes phases like the Clean Plant Program, Precision Agriculture and Ecological Interactions, and Urban Applications, aiming to enhance sustainability and efficiency in agriculture while benefiting Canada's agri-food sector. This investment underscores Brock University's commitment to advancing agricultural research and its significant contributions to industry development and environmental sustainability.

Lincoln celebrates third successful job fair

The Town of Lincoln hosted its first job fair of 2024 on March 27, drawing 400 attendees and 28 local businesses, highlighting its commitment to fostering economic prosperity and connecting job seekers with opportunities. Supported by the Work in Lincoln initiative and funding from the Province of Ontario's Skills Development Fund, the job fair underscores the Town's dedication to enhancing opportunities for its residents.

Lincoln Launches 2024 Niagara Benchlands Destination Development Fund

The Niagara Benchlands Destination Development Fund is open for the 2024 season, offering financial support to tourism-based businesses and organizations in Lincoln to develop new projects and initiatives. Eligible entities within the municipal boundaries of Lincoln, including for-profit and not-for-profit businesses, public sector agencies, and private sector agencies, can apply for funding to enhance Lincoln's tourism economy. The fund aims to encourage collaboration among local businesses and tourism operators to create innovative, capacity-building tourism products and initiatives. Ontario advances construction to expand Garden City Skyway

The Ontario government has initiated the expansion of the Queen Elizabeth Way (QEW) Garden City Skyway, aiming to alleviate gridlock and improve connectivity within the Greater Golden Horseshoe region. The Skyway expansion includes construction of a new four-lane, 2.2 km bridge across the Welland Canal, as well as the rehabilitation and full deck replacement of the current bridge. Once complete, each bridge will have four lanes with the new bridge carrying Toronto-bound traffic and the upgraded existing bridge carrying Niagara-bound traffic.

Ontario Shipyards starts phase 2 of the CCGS Terry Fox project at Port Weller Dry Docks

Last week marked the official commencement of phase two of the CCGS Terry Fox Vessel Life Extension Project at the Port Weller Dry Docks, representing the largest project ever awarded by the Canadian government. The iconic icebreaker will undergo extensive repairs and enhancements in the deep graving dock next week, showcasing the skills and capabilities of Ontario Shipyards' workforce in tackling complex ship repair scopes. This project signifies a significant milestone in revitalizing Ontario's shipbuilding and repair industry, thanks to the collaborative efforts of all involved.

NiagaraOpenData.ca relaunches to better serve Niagara's open data community

The Niagara Open Data Community Consortium celebrates the relaunch of NiagaraOpenData.ca, providing a centralized platform for accessing freely available data across the region, supporting transparency, accountability, and innovation. The updated catalogue offers enhanced features such as more detailed information about available data, visualization tools, and a new request system, aiming to improve users' understanding and utilization of open data resources. Open data in Niagara fosters data literacy, supports regional planning, economic development, and global application development, with the consortium continuously working to engage with users and enhance the open data community. Niagara Falls purchases Sodom Road property for industrial park

The City of Niagara Falls has purchased 96 hectares (237 acres) of land on Sodom Road, aiming to develop an industrial park due to the depletion of available industrial lands in existing parks. The purchase, approved by council for \$6.5 million, reflects the City's strategy to attract major industrial developments and create well paying jobs, utilizing funds from the sale of the Niagara Regional Broadband Network. Additionally, the city is advocating for the designation of the QEW corridor as a provincially significant employment zone to further support long-term economic growth and diversification beyond tourism.

Niagara-on-the-Lake chamber president steps down

Minerva Ward, the president and CEO of NOTL Chamber of Commerce and Tourism Niagara-on-the-Lake, has stepped down from her role after two years of spearheading the post-COVID business recovery efforts in the area. The board has initiated a search for an interim replacement while praising Ward for her contributions, including a 32 per cent increase in chamber membership and notable recognitions of Niagara-on-the-Lake as a top travel destination. Ward's departure marks a shift in leadership, but the organization remains committed to its mission and strategic objectives during this transition period.

\$500 million hotel and condo planned for Vineland Station

Globizen, a Toronto-based developer, has proposed a significant redevelopment project for Victoria Avenue North in Vineland Station, including a 15 storey hotel, two condominium towers, retail spaces, and public amenities. The estimated \$500 million project aims to address the area's need for accommodations while enhancing tourism and economic development in Lincoln. While still in the early stages, the proposal is expected to undergo further modifications based on community feedback before proceeding to the next phases of approval and construction.

RESOLUTION NO. 10

DATE: April 10th, 2024

MOVED BY: Netty McEwen

SECONDED BY: John van Klaveren

RE: SECURING ACCESS TO NATURAL GAS FOR OUR COMMUNITY AND ONTARIO

WHEREAS Access to natural gas is important to residents and businesses in our community for affordability and reliability.

WHEREAS The Ontario Energy Board's (OEB) decision on Phase 1 of the Enbridge Gas 2024 rebasing application, issued on 21 December 2023, has concerning implications including putting into question the future access to natural gas that support of economic development, affordable housing growth, and energy reliability in communities such as the Town of Plympton-Wyoming.

AND WHEREAS Ontario is growing and access to affordable energy to support this growth for homes and businesses is crucial, and is a measured approach to energy transition as not having access to natural gas will stifle economic growth and put housing and energy affordability at risk.

NOW THEREBE IT RESOLVED:

1. THAT the Town of Plympton-Wyoming supports a measured approach to Ontario's energy transition.

AND THAT the Town of Plympton-Wyoming recognizes that there may not be enough electricity available to replace the energy provided by natural gas and meet the increased demand from electrification.

2. THAT Natural gas must continue to play an integral role in meeting the energy needs of Ontario.

3. THAT the Town of Plympton-Wyoming supports the work the Government of Ontario has done to date, including the Natural Gas Expansion Program and Electrification and Energy Transition Panel's call for a clear policy on the role of natural gas to secure access to affordable energy.

4. THAT this resolution be circulated to the President of AMO, Colin Best, Hon. Doug Ford, Premier of Ontario, Hon. Todd Smith, the Minister of Energy, Bob Bailey Member of Provincial Parliament for Sarnia-Lambton, all regional municipalities as significant actors to ensuring the need for natural gas in Ontario as part of a measured approach towards energy transition, and submitted to municipalaffairs@enbridge.com.

Please be advised that during the regular Council meeting of January 16, 2024 the following motion regarding support for the Province to expand the life span of fire apparatus, specifically pertaining to the replacement of fire trucks due to insurance requirements was carried:

RESOLUTION NO. 2024-46

DATE: January 16, 2024

MOVED BY: Councillor Nieman

SECONDED BY: Councillor Branderhorst

WHEREAS By-Law 3256-2013, being a By-Law to Establish, Maintain, and Operate a Fire Department established service level standards for the Corporation of the County of Prince Edward Fire Department;

AND WHEREAS apparatus and equipment are directly tied to the delivery of fire protection services authorized by Council in By-Law 3256-2013, and a safe, reliable and diverse fleet is required to serve operational needs;

AND WHEREAS fire Apparatus is governed by industry best practices, the application of law and recognized industry partners, including the Ontario Fire Service Section 21 Guidance Notes, National Fire Protection Association Standards, The Occupational Health and Safety Act, and Fire Underwriters Survey (FUS);

AND WHEREAS Fire Underwriters Survey (FUS) is a provider of data, underwriting, risk management and legal/regulatory services focusing on community fire-protection and fire prevention systems in Canada, establishing apparatus replacement schedules based on safety and risk mitigation practices;

AND WHEREAS on November 16, 2023, Council, received report FD-06-2023 regarding asset Management - Fire Apparatus Fleet Report and noted the budgetary pressures of meeting FUS replacement schedules;

AND WHEREAS no provincial funding is available for new fire trucks, yet, small and rural municipalities must meet the same standards set by FUS as larger municipalities for fire equipment, including additional pressure to move fire trucks out when they reach a specific age, even though they can still meet the safety regulations;

THEREFORE BE IT RESOLVED THAT the Council of the Corporation of Prince Edward County direct the Mayor to draft a letter to MPP Minister Todd Smith requesting a meeting to discuss the life span of fire apparatus, specifically pertaining to the replacement of fire trucks due to insurance requirements; and

THAT the Mayor draft a letter to FUS requesting the creation of a new community fire-protection and fire prevention insurance system that does not put all municipalities under the same umbrella, with distinct categories for rural and urban municipalities;

THAT this resolution be sent to Premier Doug Ford, the Honourable David Piccini, Minister of Labour, Immigration, Training and Skills Development, Paul Calandra, Minister of Municipal Affairs and Housing requesting a response on this matter within 30 days of receipt; and

THAT this resolution be shared with all 444 municipalities in Ontario, The Federation of Canadian Municipalities (FCM), The Association of Municipalities Ontario (AMO), and The Eastern Ontario Wardens' Caucus (EOWC).

RE: Township of Clearview Endorsement of Bill C-63 in the House of Commons

Please be advised that Council of the Township of Clearview at its meeting held on March 25, 2024, passed the following resolution in support of the endorsement of Bill C-63 in the House of Commons:

Moved by Councillor Dineen, Seconded by Councillor Broderick, Whereas The Canadian Federal Government has drafted Bill C-63, The Online Harms Act, currently in front of Parliament and has had its first reading; and,

Whereas Bill C-63 requires that online tech companies and social media platforms remove child pornography and other dangerous content within 24 hours once the operator identifies the content, while also mandating the following duties:

- Duty to protect children;
- Duty to act responsibly;
- Duty to remove egregious content; and,

Whereas The Canadian Federal Government proposes to establish a "Digital Safety Commission" and nominate an "independent" Ombudsperson to proactively circumvent potential harms on behalf of Canadians; and,

Whereas online tech companies and social media platforms need to adhere to existing Criminal Laws; and,

Whereas online tech companies and social media platforms need to be held accountable to keep platforms safe from predators targeting children and other vulnerable Canadians and to protect them from bullying, hate, extremism, violence, discrimination, self harm, exploitation and sexual extortion that can lead to the most dire of consequences; and,

Whereas Clearview Township, as all Canadians, endeavours to foster safe homes, communities, schools and public spaces;

Be It Resolved That the Mayor and Council of Clearview Township endorse the passing of Bill C-63 in the House of Commons and the establishment of a "digital safety commission" and nomination of an "independent" Ombudsperson; and,

That a copy of this resolution be circulated to all municipalities in Ontario; the Association of Municipalities of Ontario; Terry Dowdall, MP; The Right Honourable Justin Trudeau, Prime Minister of Canada and The Honourable Arif Virani, Minister of Justice & Attorney General of Canada. Dear Recipient:

Re: Household Food Insecurity

At its meeting on January 18, 2024, the Board of Health carried the following resolution #06-24:

WHEREAS food security is a chronic and worsening health issue as documented by annual local data on food affordability and as recognized by multiple Association of Local Public Health Agencies (ALPHA) resolutions: [A05-18](#) (Adequate Nutrition for Ontario Works and Ontario Disability Support Program), [A18-02](#) (Minimum Wage that is a Living Wage), [A15-04](#) (Basic Income Guarantee), and [A23-05](#) (Monitoring Food Affordability in Ontario and the Inadequacy of Social Assistance Rates)

THEREFORE BE IT RESOLVED THAT the Board of Health for Public Health Sudbury & Districts call on the provincial government to incorporate local food affordability findings in determining adequacy of social assistance rates to reflect the current costs of living and to index Ontario Works rates to inflation going forward; and

THAT in the context of the Public Health Strengthening roles and responsibilities deliberations, the Board of Health urge all health system partners to remain committed to population health assessment and surveillance as it relates to monitoring food environments and, specifically, to monitoring food affordability; and share this motion broadly with local and provincial stakeholders.

Re: Household Food Insecurity
January 24, 2024

Household food insecurity is one of the strongest predictors of poor health, making it a serious public health issue (PROOF, 2023). Individuals who are food insecure are at higher risk of diet-related diseases like diabetes and are at higher risk for a wide range of chronic conditions such as depression and anxiety disorders, arthritis, and chronic pain. Household food insecurity leaves an indelible mark on children’s health and well-being (PROOF, 2023). The experience of food insecurity in childhood is associated with mental health concerns throughout childhood and into early adulthood (PROOF, 2023). In Ontario, the healthcare costs of individuals who are the most food insecure can be more than double that of individuals who are food secure (PROOF, 2023, Tarasuk et al., 2015).

Thank you for your attention to this important issue – the solutions for which will not only help many Ontarians in need but also protect the sustainability of our critical health and social services resources.

WHEREAS current provincial - municipal fiscal arrangements are undermining Ontario's economic prosperity and quality of life;
AND WHEREAS nearly a third of municipal spending in Ontario is for services in areas of provincial responsibility and expenditures are outpacing provincial contributions by nearly \$4 Billion a year;
AND WHEREAS municipal revenues, such as property taxes, do not grow with the economy or inflation;
AND WHEREAS unprecedented population and housing growth will require significant investments in municipal infrastructure;
AND WHEREAS municipalities are being asked to take on complex health and social challenges – like homelessness, supporting asylum seekers and addressing the mental health and addictions crises;
AND WHEREAS inflation, rising interest rates, and provincial policy decisions are sharply constraining municipal fiscal capacity;
AND WHEREAS property taxpayers – including people on fixed incomes and small businesses – can not afford to subsidize income re-distribution programs for those most in need;
AND WHEREAS the province can, and should, invest more in the prosperity of communities;
AND WHEREAS municipalities and the provincial government have a strong history of collaboration; BE IT THEREFORE RESOLVED THAT the Corporation of the Municipality of St.-Charles requests that the Province of Ontario commit to undertaking with the Association of Municipalities of Ontario a comprehensive social and economic prosperity review to promote the stability and sustainability of municipal finances across Ontario;
AND BE IF FURTHER RESOLVED THAT a copy of this Resolution be sent to Premier Doug Ford; Minister of Finance, Peter Bethlenfalvy; Minister of Municipal Affairs and Housing, Paul Calandra; the Association of Municipalities of Ontario (AMO); the Federation of Northern Ontario Municipalities (FONOM); our local Member of Provincial Parliament (MPP); and all Ontario Municipalities.

Council Resolution

Date: January 30, 2024

Resolution Number: 2024-31

Moved By: Councillor Moreton

Seconded By: Councillor Manson

Background: Before Calvin township became a township, it was burned by numerous forest fires. This was before the time of fire towers, water bombers, and municipal fire departments. A 1881 report from Lawrence Tallan, Provincial Land surveyor, states: *"The township of Calvin has been traversed by repeated and severe fires – so well have the flames done their work that with the exception of an insignificant portion, scarcely a vestige of the original timber remains."*

History has a way of repeating itself, and now rural municipalities and remote areas need more than ever to be prepared to respond to forest fires. Invasive pests like the emerald ash borer and the spruce bud worm are killing large numbers of trees, leaving copious amounts of dry kindling in our forests just waiting for a careless human or a lightning strike. Our forests are choked with deadfall and forest fires are becoming increasingly difficult to control. Add to this the effects of rising temperatures and drier seasons, or climate change, and we could be facing increasingly disastrous forest fires. This is not the time to be caught short with limited forest fire-fighting resources.

Jordan Omstead of the Canadian Press recently wrote: "But as Canada's water bombers age – and wildfire seasons are expected to intensify – some wildland

firefighters and emergency preparedness experts say the country needs to prop up its fleet of firefighting aircraft, even though several provinces are playing down concerns about capacity.” He quotes Eric Davidson, president of the Ontario Professional Association of Wildland Firefighters, “We’re really starting to see the effect of the aging fleet.”

The article further states the John Gradek, lecturer at McGill University estimates that almost half of the larger water bombers used to fight Canadian forest fires are nearing the end of their service life.

However, a Canadian company making a large skimmer-style water bomber is backed up with orders from European countries until the end of the decade.

Ontario has its own fleet of aircraft. They have 20 fixed-wing aircraft which includes 9 CL215 and CL415 water bombers that are 24 years old on average. The remaining 11 aircraft are an average of 54 years old. Melissa Candelaria, a spokesperson for Minister Graydon Smith says the MNR can handle Ontario fires with these aircraft, but Jennifer Kamau, communications manager for the Canada Interagency Forest Fire Centre, CIFFC, noted that other provinces contract out firebombers and last year there was a strain in Canada to get the resources to areas in need because there were so many fires across the country at the same time and very few aircraft available.

Peter Zimonjic of the CBC quoted the Canadian Association of Fire Chiefs (CAFC) President Ken McMullen, “It's not often that the fire chiefs sound the alarm. We are very concerned about this impending crisis that the summer of 2024 and beyond is going to bring our sector.”

In 2023 we all smelled the smoke and saw the sky turn brown. Buildings can be replaced, but lives cannot. And once an area is burned it takes more than a lifetime for it to return to its original state.

WHEREAS Forest fires are a very real threat to rural municipalities.

AND WHEREAS smoke from forest fires put people's health at risk. This is especially true of children and the elderly. The David Suzuki Foundation reports that wildfires kill many thousands of people per year and most of the deaths are from smoke inhalation.

AND WHEREAS forest fires are a very real danger to the climate and according to The Guardian, in 2023 they emitted three times as much carbon as the entire carbon footprint of Canada.

AND WHEREAS according to the John Crace interview in The Guardian with William Kurz, a retired scientist with Natural Resources Canada, around two billion tonnes of carbon have been released into the atmosphere from forest fires in 2023.

AND WHEREAS carbon emissions from forest fires are not counted against Canada's Paris agreement commitments, according to Kurz, but they far exceeded all of the emissions tied to Canada's economy (670 mega tonnes, or 0.67 billion tonnes, according to Environment and Climate Change Canada).

AND WHEREAS that standing healthy forest serves as a carbon sink, drawing in carbon, but once destroyed by fire, even though second growth takes its place, it is much less effective for many decades.

AND WHEREAS the federal government owns no water bombers and assists the provinces through the CIFFC, Canadian Interagency Forest Fire Centre, a spokesperson with CIFFC says that last year there were too many requests and not enough inventory to meet the needs of the country.

AND WHEREAS as reported by De Havilland Canada who manufacture the Canadian made water bomber, they have contracts with European countries for the next 22 of its new DHC-515 planes, which will take until 2029 or 2030 to complete and there will be very little production available to replace the aging water bombers in Ontario and the rest of Canada.

NOW THEREFORE BE IT RESOLVED THAT the council of the Corporation of Calvin Township urges and encourages the Federal Government to commit additional funds for cost sharing of provincial firefighting and to consider the development of a national strategy of firefighting. Furthermore, we urge the federal government to consider the measures necessary for acquiring a national fleet of Canadian-made waterbombers, with home bases strategically located to best serve and respond to the needs of rural communities, and a national fire administration to better coordinate and manage efforts across the country. We also encourage the introduction of a program similar to the Joint Emergency Preparedness Program (JEPP) which was ended in 2013.

And we encourage Minister Graydon Smith to step up the on-the-ground firefighting capability and water bomber acquisitions in Ontario.

AND THAT this resolution be forwarded to The Right Honourable Justin Trudeau, Prime Minister of Canada, The Honourable Bill Blair, Minister of National Defence, The Honourable Doug Ford, Premier of Ontario, The Honourable Graydon Smith, Minister of Natural Resources and Forestry of Ontario, The Honourable Vic Fideli, Minister of Economic Development Ontario, the Federation of Canadian Municipalities (FMC) and the Association of Municipalities Ontario (AMO).

AND THAT this resolution be shared with all 444 municipalities in Ontario for their consideration and adoption.

BE IT RESOLVED THAT Council for the Corporation of the Municipality of St.-Charles hereby supports the Resolution passed by the Corporation of the City of Cambridge on February 13, 2024, regarding catch and release justice;

AND BE IF FURTHER RESOLVED THAT a copy of this Resolution be sent to Prime Minister, Justin Trudeau; Minister of Justice and Attorney General of Canada, Arif Virani; Attorney General of Ontario, Doug Downey; Ontario Solicitor General, Michael Kerner; Premier Doug Ford; the Association of Municipalities of Ontario (AMO); our local Member of Parliament (MP); our local Member of Provincial Parliament (MPP); and all Ontario Municipalities.

Re: Catch and Release

At its Council Meeting of February 13, 2024, the Council of the Corporation of the City of Cambridge passed the following Motion:

WHEREAS this council believes that the safety of our community and its protection from crime in all its forms is of utmost importance.

WHEREAS our taxpayer-funded judicial system exists to protect the public, who in return for their tax dollars are entitled to a system that works.

WHEREAS the number of charges laid for failure to comply with court orders – primarily failure to comply with the terms of a promise to appear, undertaking, recognizance, probation order, or peace bond – are steadily on the rise in the province of Ontario.

WHEREAS there has been a notable increase in the number of violent offences committed in the province of Ontario by individuals who are concurrently subject to release orders.

WHEREAS the Ontario justice system is backlogged, court systems under strain, and police and prosecutors overwhelmed by their caseloads.

WHEREAS we have seen a dramatic lowering of the threshold for release, resulting in violent, serious, or repeat offenders who should by rights have been reasonably detained in custody, released on supervision plans that are increasingly deficient.

WHEREAS the general sense among the criminal population is that breaching bail conditions will not result in much by way of consequence for the offender, as evidenced by a clear pattern province-wide of unjustifiable release, a pattern which is bound to continue given insufficient resources to conduct Crown bail reviews, surety bond estreatment hearings, and ensure the subsequent collection of surety bond funds after judgment.

WHEREAS a 'catch and release' system constitutes a failure of government to perform a core function of its existence, that being the protection of public safety and that this failure constitutes a clear and present danger to the public.

WHEREAS the current hard drug crisis has contributed to a desperate criminal element that is exacting a significant financial and emotional toll on communities across Canada including Cambridge.

WHEREAS our police services are being demoralized by expending precious time and resources having to manage the repeated arrests of these habitual criminal offenders within a system that limits their ability to effectively protect the public.

AND WHEREAS this ineffective follow-through by our judicial system unfairly erodes the public's trust in our police services, who consequently become the target of frustrated and angry residents who feel they are no longer being protected from crime.

AND WHEREAS the increasing erosion of public faith and trust in our judicial system ultimately brings the administration of justice in the province of Ontario into disrepute and leads to a growing feeling amongst residents that they are no longer protected by a system perceived to prioritize the rights and freedoms of the criminal over the rights and safety of themselves and their families.

NOW THEREFORE BE IT RESOLVED, that the City Clerk for the City of Cambridge send a letter to the Right Honourable Justin Trudeau, Prime Minister of Canada, the Honourable Arif Virani, Minister of Justice and Attorney General of Canada, Attorney General of Ontario Doug Downey, Ontario Solicitor General Michael Kerzner, the Honourable Doug Ford Premier of Ontario, MP Bryan May, MP Valerie Bradford, MPP Jess Dixon, MPP Bryan Riddell, Police Chief Mark Crowell, Waterloo Regional Police Service, all Ontario Police Associations and Police Departments, Ontario Provincial Police, all Ontario MPPs and MPs, and all municipalities throughout Ontario for their endorsement consideration, requesting additional funding in Ontario's legal system to support a meaningful resistance to the current "catch and release" practice, including hiring sufficient court staff, with a specific focus on additional assistant Crown Attorneys.

Should you have any questions related to the approved resolution, please contact me.

Dear Prime Minister:

Re: Carbon Tax

At its meeting held on January 15, 2024, Sarnia City Council adopted the following resolution:

Whereas the federal government recently increased the carbon tax in April 2023 and will almost triple it by 2030; and

Whereas the Parliamentary Budget officer has admitted that when fiscal and economic impacts of the federal fuel charge are considered that the vast majority of households will see a staggering loss; and

Whereas this tax flows through from producers to transporters to the grocery store floor for our citizens; and

Whereas this tax does very little to reduce pollution and emissions; and

Whereas two thirds of Canadians are approximately \$200 away or less from not being able to pay all their bills at the end of the month; and

Therefore, be it resolved that Sarnia City Council write a Letter to the Federal government (and copied to other Municipalities for their consideration) strongly urging them to cancel the carbon tax which is financially hurting our citizens at a time

when affordability concerns are at an all-time high to ease the financial and inflationary pressure on our Citizens.

Your consideration of this request is respectfully requested.

Yours Sincerely,

Proposal summary

We are proposing a regulation specifying the circumstances under which the Minister may issue an order to prevent a conservation authority from making a permitting decision and make the permitting decision in the place of a conservation authority or may undertake a review of a conservation authority permitting decision.

Proposal details

Conservation authorities regulate development and other activities through a permitting process under the *Conservation Authorities Act* for the purposes of natural hazard management and to protect people and property from natural hazards, such as flooding and erosion. Each conservation authority implements the permitting framework based on provincial legislation, regulatory

requirements, and technical standards, as well as conservation authority board-approved policies that outline how the conservation authority administers regulations locally.

Recently proclaimed provisions in the *Conservation Authorities Act* and associated regulations came into effect on April 1, 2024, including new powers for the Minister to 1) issue an order to prevent a conservation authority from issuing a permit and to take over the permitting process in the place of a conservation authority, and 2) review a conservation authority permit decision at the request of the applicant.

The Ministry is proposing a regulation which would set out the circumstances under which these powers could be used. If the regulation is approved, public guidance would be made available on the criteria and processes outlined in the regulation.

1. Permits issued by the Minister

Existing requirements under the *Conservation Authorities Act* regarding permits issued by the Minister under section 28.1.1 include:

- The Minister may issue an order directing a conservation authority not to issue a permit to a specific individual to engage in a specified activity, or to persons who may wish to engage in a certain type or class of activity, that would be prohibited under section 28 without a permit.
- The Minister's decision to issue an order is discretionary, and it may be issued either before or after an application for a permit has been submitted to the relevant conservation authority.
- Notice of any order must be provided to affected conservation authorities, any person who applied for the permit in question prior to the order and be posted on the Environmental Registry of Ontario (ERO (Environmental Registry of Ontario)) within 30-days.
- If an order made, the Minister has the power to issue a permit in place of the conservation authority. When making a permitting decision, the Minister is required to satisfy the same criteria concerning natural hazards and public safety that are considered by conservation authorities. This includes whether the activity is likely to affect the control of flooding, erosion, dynamic beaches or unstable soil or

bedrock. It also must consider whether the activity is likely to create conditions or circumstances that, in the event of a natural hazard, might jeopardize the health or safety of persons or result in the damage or destruction of property.

- The Minister may refuse the permit or issue a permit subject to such conditions as the Minister determines are appropriate.

Proposed additional requirements that would be set out in regulation include:

- The Minister may make an order to prevent a conservation authority from making a permitting decision and take over the permitting process only if the development activity or type or class of permits pertains to or supports a specified provincial interest, including:
 - Housing (community, affordable and market-based)
 - Community services (health, long-term care, education, recreation socio-cultural, security and safety, environment)
 - Transportation infrastructure
 - Buildings that facilitate economic development or employment
 - Mixed use developments
- If a proponent wishes to petition the Minister to issue an order, the proponent must submit a request to the Minister that would include information on:
 - Overview of proposed development.
 - Why the Minister's involvement is requested (e.g., development of provincial interest, timing/urgency; permitting process to date if applicable; other barriers) and preferable to the standard process in the *Conservation Authorities Act*.
 - Indication of whether the local municipality has endorsed the project and the request for Minister's involvement (e.g., by municipal letter or resolution).
 - Status of other required project approvals including the extent of any engagement with the conservation authority in the permitting process that the applicant has had to date.

2. Permits reviewed by the Minister

Existing requirements under the *Conservation Authorities Act* relating to requests for review under section 28.1.2 regarding permits where there is an order made by the Minister of Municipal Affairs and Housing under section 34.1 or 47 of the *Planning Act* and section 28.1 regarding all other conservation authority permits include:

- An applicant who has been refused a permit or had conditions attached to a permit by a conservation authority to which the applicant objects can, within 15-days of receiving reasons for the authority's decision, submit a request to the Minister for the Minister to review the authority's decision. Alternatively, an applicant also has the option to appeal the authority's decision to the Ontario Land Tribunal.
- After receiving a request, the Minister has 30-days in which to decide whether or not they intend to conduct a review. If the Minister decides to conduct the review, a notice shall be posted on the ERO (Environmental Registry of Ontario) within 30-days of a reply indicating the Minister intends to review the decision by the authority. If the Minister does not reply within 30-days of the request, this is deemed to indicate that the Minister does not intend to conduct a review.
- After conducting a review, the Minister may confirm or vary the authority's decision or make any decision that the Minister considers appropriate, including issuing the permit subject to conditions.
- The Minister is required to base the decision on same criteria concerning natural hazards and public safety that are considered by conservation authorities. This includes whether the activity is likely to affect the control of flooding, erosion, dynamic beaches or unstable soil or bedrock. It also must consider whether the activity is likely to create conditions or circumstances that, in the event of a natural hazard, might jeopardize the health or safety of persons or result in the damage or destruction of property.

Proposed additional requirements that would be set out in regulation include:

- The Minister may conduct a review of a conservation authority permit decision only if the development activity pertains to or supports a development of specified provincial interest, including:
 - Housing (community, affordable and market-based)

- Community services (health, long-term care, education, recreation socio-cultural, security and safety, environment)
- Transportation infrastructure
- Buildings that facilitate economic development or employment
- Mixed use developments

Note: This criteria would not apply to permit reviews under section 28.1.2 regarding permits where there is an order made by the Minister of Municipal Affairs and Housing under section 34.1 or 47 of the *Planning Act*.

- The request submitted to the Minister for a review would include information on:
 - Overview of proposed development.
 - If the request relates to conditions imposed by the conservation authority to which the applicant objects, identification of the specific conditions that are subject to the request for review, the changes requested to the conditions and the rationale in support of the requested changes.
 - If the request relates to an authority's decision to refuse a permit, the rationale in support of requesting that the Minister varies the decision and issues the permit.
 - Why the Minister's involvement is requested (e.g., development of provincial interest, timing/urgency; permitting process to date; other barriers) and preferable to alternative mechanisms in the *Conservation Authorities Act*.
 - Indication of whether the local municipality has endorsed the project and/or the request for Minister's involvement (e.g., by municipal letter or resolution).
 - Status of other required project approvals.

Regulatory impact analysis

By clearly communicating the circumstances under which the Minister would consider whether to issue an order to prevent a conservation authority from making a permitting decision and to make permitting decisions in place of a conservation authority or to review a conservation authority permitting decision, this proposal would ensure that development proponents pursue the appropriate permitting channel. Efficiently navigating the permitting process is

expected to help save proponents time and resources. We expect that there will be some minor administrative costs for development proponents based on the time needed to learn about and understand the proposed changes.

RE: Hastings County Motion regarding sustainable infrastructure funding for small rural municipalities

Please be advised that Hastings County Council, at its meeting held on March 28, 2024, passed the following resolution:

WHEREAS Ontario's small rural municipalities face insurmountable challenges to fund both upfront investments and ongoing maintenance of their capital assets including roads and bridges and water wastewater and municipally owned buildings including recreational facilities and libraries;

WHEREAS in 2018, the Ontario government mandated all Ontario municipalities to develop capital asset management plans with the stipulation that they be considered in the development of the annual budget;

WHEREAS small rural municipalities (of 10,000 people or less) are facing monumental infrastructure deficits that cannot be adequately addressed through property tax revenue alone;

WHEREAS the only application approved through the recently awarded Housing Accelerator Fund to a small rural municipality was to Marathon Ontario, who received an allocation of \$1.9 million dollars while over \$1.369 billion going to Ontario's large urban centres, resulting in a 0.2% investment in rural Ontario;

WHEREAS the Ontario Government has committed \$9.1 billion to Toronto alone to assist with operating deficits and the repatriation of the Don Valley and Gardner Expressway;

WHEREAS small rural Ontario cannot keep pace with the capital investments required over the next 20 years unless both the Provincial and Federal Governments come forward with new sustainable infrastructure funding;

WHEREAS it is apparent that both the Federal and Ontario Governments have neglected to recognize the needs of small rural Ontario;

NOW THEREFORE BE IT RESOLVED THAT Hastings County call on the Ontario and Federal Government to implement sustainable infrastructure funding for small rural municipalities;

AND THAT small rural municipalities are not overlooked and disregarded on future applications for funding;

AND THAT both the Federal and Ontario Governments begin by acknowledging that there is an insurmountable debt facing small rural municipalities;

AND THAT both the Federal and Ontario Governments immediately commission a Working Group that includes a member of the Eastern Ontario Wardens Caucus, to develop a plan on how to deal with the impending debt dilemma;

AND FINALLY THAT this resolution be forwarded to The Honourable Justin Trudeau, Prime Minister of Canada, The Honourable Sean Fraser, Minister of Housing, Infrastructure and Communities of Canada; Michel Tremblay Acting President and CEO, Canada Mortgage and Housing Corporation; The Honourable Doug Ford, Premier of Ontario; The Honourable Kinga Surma, Ontario Minister of Infrastructure; The Honourable Paul Calandra, Ontario Minister of Municipal Affairs and Housing; MP Shelby Kramp-Neuman, Hastings-Lennox Addington; MPP Ric Bresee Hastings-Lennox Addington, AMO, ROMA, FCM, Eastern Ontario Wardens' Caucus and all Municipalities in Ontario.

If you have any questions regarding the above motion, please do not hesitate to contact me directly.

RE: Cemetery Transfer/Abandonment Administration & Management Support

Please be advised that Council of the Township of Clearview, at its meeting held on December 11, 2023, passed a resolution regarding Cemetery Transfer/Abandonment Administration & Management Support as follows:

Moved by Councillor Walker, Seconded by Councillor Broderick, Whereas under the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), when a cemetery is declared abandoned by a judge of the Superior Court Justice, the local municipality within whose geographic boundaries the land of the cemetery is located, becomes the owner of the cemetery with all the rights and obligations in respect of the cemetery and the assets, trust funds and trust accounts related to it that the previous owner or operator possessed;

And Whereas over the last decade, there has been an increase in the number of churches and local cemetery boards initiating processes to transfer ownership or abandon their owned and operated cemeteries to the local municipality due to such issues as high maintenance costs, inaccuracy of records, lack of financial and human resources to effectively operate and maintain the cemetery, increased regulatory processes regarding training, selling of interment rights, financial operation of the care and maintenance fund, etc.;

And Whereas municipalities experience the same issues and pressures that churches and local boards experience with the operation and maintenance of cemeteries within its jurisdiction, and additional transfers of cemetery lands only compound the burden on municipal taxpayers;

And Whereas cemeteries are important infrastructure where the reasonable costs for interment rights, burials, monument foundations, corner stones and administration charges do not sufficiently support the general operation of cemeteries;

And Whereas the interest earned from the care and maintenance fund(s) of a cemetery do not provide adequate funding to maintain the cemetery with the rising costs of lawn and turf maintenance contracts and monument restoration;

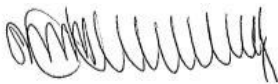

Now Therefore Be It Resolved that Council of the Township of Clearview requests that the Province through the Ministry of Public and Business Service Delivery and the Bereavement Authority of Ontario (BAO) consider the following to assist municipalities in this growing concern of cemetery transfers:

- Amend the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), to have the Province, through the BAO, identified as the default owner and operator of a cemetery when it is abandoned;
- Provide annual funding (based on the number of cemeteries a municipality owns and operates) to municipalities to assist with the maintenance of inactive and active cemeteries; Page 6 of 7
- Provide free training opportunities for municipalities regarding cemetery administration; and,
- Investigate and support the design of universal cemetery software for use by municipal cemetery operators that can be offered at an affordable cost.

And that this resolution be circulated to the Hon. Todd McCarthy, Ministry of Public and Business Service Delivery, Jim Cassimatis, BAO Interim CEO/Registrar, MPP Brian Saunderson and all Ontario municipalities. Motion Carried.

Subject: Report # LS-032-2023 – Cemetery Transfer/Abandonment Administration & Management Support

Recommendation

Be It Resolved that Council of the Township of Clearview hereby receives Report LS-032-2023 (Cemetery Transfer/Abandonment Administration & Management Support) dated December 11, 2023; and,

Whereas under the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), when a cemetery is declared abandoned by a judge of the Superior Court Justice, the local municipality within whose geographic boundaries the land of the cemetery is located, becomes the owner of the cemetery with all the rights and obligations in respect of the cemetery and the assets, trust funds and trust accounts related to it that the previous owner or operator possessed;

And Whereas over the last decade, there has been an increase in the number of churches and local cemetery boards initiating processes to transfer ownership or abandon their owned and operated cemeteries to the local municipality due to such issues as high maintenance costs, inaccuracy of records, lack of financial and human resources to effectively operate and maintain the cemetery, increased regulatory processes regarding training, selling of interment rights, financial operation of the care and maintenance fund, etc.;

And Whereas municipalities experience the same issues and pressures that churches and local boards experience with the operation and maintenance of cemeteries within its jurisdiction, and additional transfers of cemetery lands only compound the burden on municipal taxpayers;

And Whereas cemeteries are important infrastructure where the reasonable costs for interment rights, burials, monument foundations, corner stones and administration charges do not sufficiently support the general operation of cemeteries;

And Whereas the interest earned from the care and maintenance fund(s) of a cemetery do not provide adequate funding to maintain the cemetery with the rising costs of lawn and turf maintenance contracts and monument restoration;

Now Therefore Be It Resolved that Council of the Township of Clearview requests that the Province through the Ministry of Public and Business Service Delivery and the Bereavement Authority of Ontario (BAO) consider the following to assist municipalities in this growing concern of cemetery transfers:

- Amend the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), to have the Province, through the BAO, identified as the default owner and operator of a cemetery when it is abandoned;
- Provide annual funding (based on the number of cemeteries a municipality owns and operates) to municipalities to assist with the maintenance of inactive and active cemeteries;
- Provide free training opportunities for municipalities regarding cemetery administration; and,
- Investigate and support the design of universal cemetery software for use by municipal cemetery operators that can be offered at an affordable cost.

And that this resolution be circulated to the Hon. Todd McCarthy, Ministry of Public and Business Service Delivery, Jim Cassimatis, BAO Interim CEO/Registrar, MPP Brian Saunderson and all Ontario municipalities.

Background

Under the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), when a cemetery is declared abandoned by a judge of the Superior Court Justice, the local municipality within whose geographic boundaries the land of the cemetery is located, becomes the owner of the cemetery with all the rights and obligations in respect of the cemetery and the assets, trust funds and trust accounts related to it that the previous owner or operator possessed.

Over the last decade there appears to be a trend where cemeteries in Ontario are being transferred, whether through abandonment or a mutually agreed upon transfer, to the care and control of municipalities. This is often seen when there is a breakdown in existing cemetery boards and/or when churches cease operations. For many existing private cemetery boards their board members and volunteers are aging and are unable to assist with the operations and maintenance of the cemetery any longer. Finding new members proves to be difficult for these boards to continue. In addition to aging board members, there are other issues that are contributing to the increase in cemetery transfers:

- high maintenance costs
- inaccuracy of records
- lack of financial and human resources to effectively operate and maintain the cemetery

- increased regulatory processes that require ongoing training for selling of interment rights, and the financial operation of the care and maintenance fund, etc.

Township Owned Cemeteries

The Township of Clearview currently owns and operates nine (9) cemeteries within its geographic boundaries. Out of these nine cemeteries, four (4) are considered active meaning that there are still interment rights to be sold, or burials to take place. Below is a chart outlining these cemeteries and their status:

Cemetery Name	Address	Status
Batteau Hill Cemetery	2670 County Road 124, Duntroon	Inactive
Bethel Union Cemetery	2249 Creemore Avenue, New Lowell	Inactive
Dunedin Union Cemetery	9 Turkeyroost Lane, Dunedin	Active
Duntroon Pioneer Cemetery	2870 County Road 124, Duntroon	Inactive
Lavender Cemetery	827103 Mulmur/Nottawasaga Townline, Creemore	Active
Old Zion Presbyterian Church Cemetery	6130 Highway 26, Sunnidale Corners	Inactive
Second Line Nottawasaga Cemetery	2279 County Road 42, Stayner	Active
Stayner Union Cemetery	7661 Highway 26, Stayner	Active
Zion Presbyterian Church Cemetery	12358 County Road 10, Sunnidale Corners	Inactive

For the Dunedin and Stayner Union Cemetery, the Township looks after the maintenance and burials through a third-party contractor. The maintenance and burials for the Lavender Cemetery are conducted through the Board. For the Second Line Nottawasaga Cemetery all the interment rights have been sold, but there remains one burial to be completed. The cost to maintain an active cemetery is expensive. Although burial costs and the installation of markers, etc. are cost recovery through the purchaser, grounds maintenance is not.

Inactive cemeteries still require consistent grounds maintenance, which includes any monument restoration for health and safety, and record searches for the public register.

Comments and Analysis

When analyzing the number of cemeteries that Clearview Township currently owns and operates, maintenance and administration is a large undertaking. To add any additional cemeteries by way of transfer or abandonment will only compound the issues the Township is already facing. In the past year, the Township has been approached by two separate entities regarding possible cemetery transfers. When a board or cemetery transfers ownership to the municipality, the issues are transferred with it. Municipalities are not immune to the same concerns. It becomes a strain on municipal resources, financially, administratively, and operationally.

Administrative Impact

From an administrative perspective the management of four active cemeteries is both time consuming and complex. No interment is the same, and providing good customer service takes time especially for those making arrangements while also dealing with grief. Administrative tasks include but are not limited to: interment right sales and mapping, burial contracts and scheduling, monument placement, historical record searches, plot and monument staking, fees and charges review, family transfers of interment rights and annual reporting to the Bereavement Authority of Ontario (BAO).

- **Incomplete records**

Often the records accepted by the Township from a dissolved cemetery board or church are incomplete and disorganized. This is no fault of the previous board members, as they are also often operating with limited resources. However, it does make it difficult to manage the cemetery post-transfer when records are sparse. Understanding which plots are occupied and by who is critical to the sound management of a cemetery. Unfortunately, this is not made possible in all cases because of incomplete records. In addition, records received during a transfer usually are maintained under different records management standards and are often organized and named inconsistently. Adaptation to Township records keeping practices takes time.

- **Lack of human resources**

Cemetery management is a highly regulated professional field, with the responsibility of which is often placed on public sector employees who may have limited knowledge of cemeteries in general. With reduced resources within municipalities especially rural ones, the management of cemeteries often becomes a secondary responsibility to another position. There is also a lack of affordable training available for municipal employees who are required to abide by regulations set out by the FBCSA and the BAO.

- Increased regulatory processes

Annual reporting requirements of the BAO can be extensive and complex. This includes monitoring the number of interments, the transfers to the Care and Maintenance Fund (C&M), and how the C&M fund can be used. There are also regulations pertaining to maintaining a public register, how sales are to be conducted and strict guidelines on Cemetery By-law approvals, and expansions including the erection of columbaria structures.

- Inconsistent cemetery regulations

Cemeteries can have many different regulations related to plot size, number of burials allowed in a given plot, monument size, what types of flowers/shrubs are allowed to be installed near a headstone etc. The transfer of different cemeteries having inconsistent regulations can make it difficult to adapt management practices in order to maintain original cemetery operational standards.

Operational Impact

Similarly, from an operational perspective the grounds maintenance of cemeteries, whether active or inactive, is both time consuming and complex. A key issue when analyzing the maintenance component of cemetery management is the lack of financial resources to support the operation. Cemetery maintenance includes, but is not limited to: grass cutting (whipper snipping around monuments), tree and shrub maintenance, monument and corner stone maintenance, water pipe and washroom monitoring, and general upkeep of cemetery grounds (removal of debris, etc.).

- High maintenance costs

As with many services, there are rising costs to contend with. Municipalities have adopted different models to address the maintenance of such, with third party contractors being commonly used or it becomes the responsibility of an internal department such as Parks & Recreation. Regardless the model, the costs have increased significantly over the last decade with equipment purchases/upgrades, insurance requirements for third-party contractors, and the time it takes to cut the grass and whipper snip around monuments. To put it into perspective, the Stayner Union Cemetery with the expansion is 25 acres with monuments to manoeuvre around during ground care. Other considerations for maintenance includes monument restoration and ensuring that they are not deteriorated to the point where they are unsafe. This is important for older cemeteries where restoration hasn't been provided in the past and there are many deteriorating monuments.

- Cost of cemetery management software

Cemetery Management Software can help municipalities manage cemetery records, including plot sale contracts, interment rights certificates, and regulatory reporting.

However, these software solutions are often expensive and require a large amount of staff time to implement especially with incomplete data and records. These software solutions range in price from \$5,000 to \$100,000 with annual maintenance costs. This investment in software can be a large budget request and one that would need to be supported from taxation with the limited funds in cemetery general accounts.

- **Inadequate Care and Maintenance funds**

When the Funeral, Burial and Cremation Services Act, 2002 (FBCSA) was enacted, it stipulated that a care and maintenance fund for a cemetery shall be established. A cemetery operator is required to make contributions to the fund from the sale of in-ground graves, crypts, tombs, niches, scattering rights and monument installation. The contribution is prescribed under the FBCSA and differs dependant on the interment type. The idea is that the fund (income earned from the fund - interest) pays for maintenance costs after a cemetery has stopped making sales. In reality, this concept does not produce enough funds to maintain a cemetery. Looking at the Stayner Union Cemetery as an example, for the very basics (grass cutting and whipper snipping) the interest from the care and maintenance fund does not provide enough monies to maintain the cemetery for the 7 months it's required. In addition, the care and maintenance fund is also to be utilized for the stabilization, maintenance and security of markers. Cemeteries are not self funding, and maintenance of such is becoming a larger budget concern.

Support Request

Cemetery transfers and abandonments have been an ongoing concern for Clearview Township for many years. When you look at the large geography of the Township there are many cemeteries within the boundaries that have the potential to be transferred. To gauge the concern of other municipalities on this issue, staff addressed it at a Simcoe County Clerks group discussion. Many neighbouring municipalities expressed that they were dealing with the same issues and have also been approached by different external entities on possible transfers.

As result of the discussion, it was agreed that to assist with the real concerns with transfers and abandonments of cemeteries, it's vital that the Province provide assistance to adequately support this infrastructure. Support can be provided in many different forms, with staff making the following recommendations for the Ministry of Public and Business Service Delivery and the BAO:

- Amend the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), to have the Province, through the BAO, identified as the default owner and operator of a cemetery when it is abandoned;

- Provide annual funding (based on the number of cemeteries a municipality owns and operates) to municipalities to assist with the maintenance of inactive and active cemeteries;
- Provide free training opportunities for municipalities regarding cemetery administration; and,
- Investigate and support the design of universal cemetery software for use by municipal cemetery operators that can be offered at an affordable cost.

There is not one solution to solve all the issues, but at the very least it's important to identify the concerns and have open and real discussions at the provincial level on what support can be provided.

Clearview's Strategic Plan

The above initiative supports the following strategic pillars:

- Governance

Financial Implications

It is difficult to identify an exact dollar amount that can be attributed to a cemetery transfer/abandonment to the municipality. Every transfer is different and depends on a multitude of factors beginning with the cemetery status (active/inactive), acreage, care and maintenance fund (if any), maintenance of records, etc. What is being recommended by staff by way of support from the province is not meant to erase the costs entirely, but rather, to alleviate the financial burden in some capacity.

Re: Item for Discussion – Request for Provincial Support for Cemetery Operations

At its meeting of April 10, 2024, the Council of the Corporation of the Town of Bracebridge ratified motion #24-GC-066, regarding Request for Provincial Support for Cemetery Operations, as follows:

“WHEREAS under the Funeral, Burial and Cremation Services Act, 2002, when a cemetery is declared abandoned by a judge of the Superior Court Justice, the local municipality within whose geographic boundaries the land of the cemetery is located, becomes the owner of the cemetery with all the rights and obligations in respect of the cemetery and the assets, trust funds and trust accounts related to it that the previous owner or operator possessed;

AND WHEREAS the interest earned from the care and maintenance fund(s) of a cemetery do not provide adequate funding to maintain the cemetery with the rising costs of lawn and turf maintenance contracts and monument restoration;

NOW THEREFORE BE IT RESOLVED that the Council of The Corporation of the Town of Bracebridge requests that the Province through the Ministry of Public and Business Service Delivery and the Bereavement Authority of Ontario (BAO) consider the following to assist municipalities in this growing concern of cemetery operations:

1. That the Province of Ontario provide annual funding (equitably allocated based on the operating costs of cemeteries) to municipalities to assist with the maintenance of inactive and active cemeteries;

At its meeting of April 10, 2024, the Council of the Corporation of the Town of Bracebridge ratified motion #24-GC-068, regarding Declaring Gender-Based Violence and Intimate Partner Violence an Epidemic, as follows:

“WHEREAS in June 2022 the Culleton, Kuzyk & Warmerdam Inquest was held to investigate the circumstances surrounding the deaths of Carol Culleton, Anastasia Kuzyk and Nathalie Warmerdam, all of whom were killed by the same perpetrator on September 22, 2015;

AND WHEREAS the jury returned eighty-six (86) powerful recommendations, the first calling on the Ontario Government to declare of Intimate Partner Violence as an epidemic;

AND WHEREAS on August 16th, 2023, the Minister of Justice and Attorney General of Canada Arif Virani described Gender-Based Violence as “an epidemic” in the federal government’s formal response to a coroner’s inquest, also stating that his government is committed to ending the Gender-Based Violence epidemic “in all its forms, and is working to address any gaps in the Criminal Code to ensure a robust justice system response”;

AND WHEREAS the incidences of Gender-Based Violence and Intimate Partner Violence increased exponentially throughout the COVID-19 pandemic and has not decreased, while funding to provide the growing demand of services and support for victims and survivors of Intimate Partner Violence and Gender-Based Violence has not kept pace;

AND WHEREAS by declaring Gender-Based Violence and Intimate Partner Violence an epidemic, the Town of Bracebridge can join the growing number of municipalities in Ontario demanding action from all levels of government to address this growing epidemic;

NOW THEREFORE BE IT RESOLVED THAT the Town of Bracebridge declares Gender-Based Violence and Intimate Partner Violence an epidemic;

AND FURTHER THAT the Province of Ontario be requested to declare Gender-Based Violence and Intimate Partner Violence an epidemic;

AND FURTHER THAT that this resolution be sent to the Premier of Ontario; Minister of Children, Community and Social Services; Associate Minister of Women's Social and Economic Opportunity; Attorney General; Solicitor General; Minister of Health; Member of Provincial Parliament for Parry Sound-Muskoka; the Association of Municipalities of Ontario (AMO); the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO); Muskoka Area Indigenous Leadership Table (MAILT); and all Ontario Municipalities."

In accordance with Council's direction, I am forwarding you a copy of the resolution for your reference.

Please do not hesitate to contact me if I can provide any additional clarification in this regard.

Resolution # RC24087	Meeting Order: 10
Moved by: <i>Cathy Cannon</i>	Seconded by: <i>[Signature]</i>

WHEREAS the Accessibility for Ontarians With Disabilities Act (AODA) is ground-breaking legislation, created to help people with disabilities fully participate in society, bring them to the table in crafting regulations, and build mechanisms to enforce standards;

AND WHEREAS Rich Donovan, an expert in accessibility issues, was appointed as the Independent Reviewer of the Act in 2022, and in his 2023 legislative review declared a crisis as a necessary catalyst to get Ontario back on track for accessibility;

AND WHEREAS at least 2.9 million Ontarians currently live with a disability, representing at least 22% of the consumer base and the workforce, but due to barriers, Ontarians with disabilities are too often falling short of their full potential;

AND WHEREAS the AODA aims to develop, implement and enforce standards related to goods, services, accommodation, employment and buildings before Jan. 1, 2025, and municipalities, as the level of government closest to the people are at the front lines, developing, implementing and enforcing these standards without meaningful guidance on its implementation and/or enforcement by the Province;

AND WHEREAS people with disabilities and advocates, note the slow pace of current and previous Ontario governments in implementing the AODA and there are growing concerns there will be no renewed push to keep accessibility issues at the forefront after 2025;

AND WHEREAS the Municipality of Wawa is dedicated and committed to creating a welcoming environment so that all people may have equitable access to programs, goods, services and facilities, but making investments to achieve the AODA standards has been challenging given the lack of consistent and stable funding for municipalities to remove accessibility barriers;

REGULAR COUNCIL MEETING

RESOLUTION

THEREFORE, BE IT RESOLVED THAT the Corporation of the Municipality of Wawa Council strongly encourages action on the part of the Provincial Government to urgently:

- a) create a "Municipal Accessibility Fund" for municipalities to develop, implement and enforce AODA standards related to goods, services, accommodation, employment and buildings. Such a fund could be modelled after the Canada Community-Building Fund or the Ontario Cannabis Legalization Implementation Fund on a per household basis;
- b) to commit to working with municipalities to implement the Donovan Review immediate crisis recommendations;

AND FURTHER THAT that a copy of this resolution be sent to the Minister of Seniors and Accessibility, the Premier of Ontario, the Minister of Seniors and Accessibility, the Minister of Children, Community, and Social Services, the Minister of Health, the Minister of Municipal Affairs and Housing, the Federation of Canadian Municipalities, the Association of Municipalities of Ontario, and the Eastern Ontario Wardens Caucus, and all Ontario Municipalities.

Please be advised that during the regular Council meeting of March 26, 2024 the following resolution regarding support for 'a call to action' to meet the deadline of an Accessible Ontario by 2025 was carried.

RESOLUTION NO. 2024-151

DATE: March 26, 2024

MOVED BY: Councillor MacNaughton

SECONDED BY: Councillor Pennell

WHEREAS the Accessibility for Ontarians With Disabilities Act (AODA) is ground-breaking legislation, created to help people with disabilities fully participate in society, bring them to the table in crafting regulations, and build mechanisms to enforce standards;

WHEREAS Rich Donovan, an expert in accessibility issues, was appointed as the Independent Reviewer of the Act in 2022, and in his 2023 legislative review declared a crisis as a necessary catalyst to get Ontario back on track for accessibility;

WHEREAS at least 2.9 million Ontarians currently live with a disability, representing at least 22% of the consumer base and the workforce, but due to barriers, Ontarians with disabilities are too often falling short of their full potential;

WHEREAS the AODA aims to develop, implement and enforce standards related to goods, services, accommodation, employment and buildings before Jan. 1, 2025, and municipalities, as the level of government closest to the people are at the front lines, developing, implementing and enforcing these standards without meaningful guidance on its implementation and/or enforcement by the Province;

WHEREAS people with disabilities and advocates, including Prince Edward County's Accessibility Advisory Committee, note the slow pace of current and previous Ontario governments in implementing the AODA and there are growing concerns there will be no renewed push to keep accessibility issues at the forefront after 2025;

WHEREAS Prince Edward County is dedicated and committed to creating a welcoming environment so that all people may have equitable access to programs, goods, services and facilities, but making investments to achieve the AODA

standards has been challenging given the lack of consistent and stable funding for municipalities to remove accessibility barriers;

THEREFORE BE IT RESOLVED THAT the Council of Prince Edward County strongly encourages action on the part of the Provincial Government to urgently:

- a) create a "Municipal Accessibility Fund" for municipalities to develop, implement and enforce AODA standards related to goods, services, accommodation, employment and buildings. Such a fund could be modeled after the Canada Community-Building Fund or the Ontario Cannabis Legalization Implementation Fund on a per household basis;
- b) to commit to working with municipalities to implement the Donovan Review immediate crisis recommendations;

AND FURTHER THAT the Mayor write a letter in support of this resolution to the Minister of Seniors and Accessibility, and that a copy of this resolution be sent to the Premier of Ontario, the Minister of Seniors and Accessibility, the Minister of Children, Community, and Social Services, the Minister of Health, the Minister of Municipal Affairs and Housing, the Federation of Canadian Municipalities, the Association of Municipalities of Ontario, and the Eastern Ontario Wardens Caucus, and all Ontario Municipalities.

CARRIED

Yours truly,

Catalina Blumenberg, **CLERK**
